Protecting **your gadget(s)**

Here are some measures **you** can take to help protect or track **your gadget(s)** whether or not they are covered by an insurance policy:

We've all been there, dropping **your** device is a sure-fire way to damage **your** device. However, **you** can protect against this by simply buying a case, which will go some way to keeping **your** device safe.

Don't forget to also keep a record of **your** mobile phone's IMEI number, this is unique to **your** handset, and should the worst happen, it will allow **you** to be reunited with **your** device. **You** can find this by typing ***#06#** into **your** handset's keypad.

You can also register **your** device for FREE on <https://www.immobilise.com/index.php>

For added security it is recommended **you** add a pin code or password to all **your** devices. This will ensure that **your** personal information remains private should it fall into the wrong hands.

There are also a variety of tracker applications which could enable **your** device to be found. Please always contact the police and let them retrieve the device, never take the law in to **your** own hands!

Always avoid using **your** device in public places in situations where **you** might be distracted, such as exiting public transport. These situations make easy targets for thieves.

We may also bring a civil case against **you** to recover any costs incurred in the event of a fraudulent or misleading claim

English Law

This Insurance shall be subject to English Law.

To satisfy **our** obligations under the GDPR a policy will only be considered as cancelled once the **Administrator** have verified the identity of the requester and confirmed either verbally or in writing that the cancellation request has been processed.

Cooling off Period

You may cancel the insurance within 14 days of receiving the insurance documents, should **you** decide the insurance is no longer appropriate or required, please contact iOutlet Care Plan via email at gadget.sales@theioutletinsurance.com or by calling 0330 020 0125. **You** will receive a full refund of any premium already paid provided that no claim has been made and **you** do not intend to make a claim.

After the Cooling off Period

If **you** have a monthly policy:

You can cancel cover at any time by contacting iOutlet Care Plan. If **you** cancel following the 14-day cooling-off period, **your** cover will continue until the end of the period for which **you** have already paid. There will be no refund of premium due as the premium paid will have been in respect of the cover already received.

If **you** have an annual policy:

You may cancel **your** insurance at any time by contacting iOutlet Care Plan, then cover will terminate upon receipt of **your** notice of cancellation. The **Administrator** will then calculate the proportionate premium for the period that **you** have not been insured provided **you** have not made a claim during the period of insurance. If a claim has been made during the period of insurance and no refund of premium will be due.

Cancellation by **us**

We may cancel this insurance by giving **you** at least 30 days written notice at **your** last known address. Reasons **we** may cancel the policy are, but not limited to:

-  If **we** and/or the **Administrator** have reason to suspect **you** of fraud;
-  Where the **Administrator** have been unable to collect an annual premium payment from **you**. In this case, the **Administrator** will contact **you** by email after the missed collection requesting payment of the premium. If the **Administrator** does not receive payment within 7 days, the **Administrator** will cancel **your** policy with immediate effect and send **you** an email confirmation of the cancellation.
-  Where the **Administrator** have been unable to collect a monthly premium payment from **you**, the **Administrator** will contact **you** by email after the first missed collection requesting payment of the premium. If the **Administrator** does not receive payment by the next collection date and the next premium payment is also missed, the **Administrator** will contact **you** and then cancel **your** policy within 7 days of this notice if **your** account is not brought up to date. The **Administrator** will send **you** email confirmation of the cancellation
-  Where there is significant adverse claims experience

If any of the above reasons should occur, **we** and/or the **Administrator** may write to **you** with our concerns and ask **you** to redress them. Where this redress does not happen, the **Administrator** will then issue cancellation. If **we** cancel cover under **your** policy, then no further premium will be payable by **you**. **You** will continue to receive any benefits for a valid claim if **your** claim incident date was prior to the date **your** policy expired.

POLICY AMENDMENT AND RENEWAL

Mid-Term Adjustments

Should **you** decide to replace **your gadget** with a new **gadget** whilst **your** insurance is in force, **we** will consider transferring the benefit of the insurance subject to the item remaining within the same premium banding as **your** original **gadget**. There is no administration fee applicable for replacing a **gadget** within the same premium banding. **You** must advise the **Administrator** of the make, model and serial number/IMEI before **you** make any subsequent claim and in the event of such a claim **you** will need a **proof of purchase** showing details of the new **gadget**. The **gadget** must be in good condition and full working order at the time of adding the new **gadget** to the policy.

Where **we** are unable to update the **gadget** on **your** current policy, **we** will allow **you** to cancel **your** current policy without being charged an administration fee where **you** have covered **your** new device under an iOutlet Gadget Insurance policy. If a claim has been made during the period of insurance, no administration fee will be charged, and no refund of premium will be due.

Please note: When replacing an existing insured **gadget** with a new **gadget** the terms and conditions of the insurance policy for the new **gadget** will apply exactly the same as if **you** were purchasing a brand-new policy.

Where **you** have multiple items **registered** on **your** policy and **you** wish to remove one of **your gadgets** from cover, the **Administrator** will calculate the revised premium and in respect of an annual contract where there is a reduction in **your** premium, **we** will provide **you** with a pro-rata refund, provided you have not made a claim. In respect of a monthly policy **your** cover will continue for the period **you** have already paid, the **Administrator** will recalculate the premium and confirm the revised premium in writing to **you** in good time before **your** next premium collection date.

Should **you** wish to consider covering additional **gadget(s)**, please contact iOutlet Care Plan at gadget.sales@theioutletinsurance.com or by calling 0330 020 0125 quoting **your** existing policy number.

In the event that any of **your** personal details change, such as address, email or contact numbers, please ensure **you** contact iOutlet Care Plan as soon as possible in order for **your** details to be updated and to prevent any delays when making a claim on gadget.sales@theioutletinsurance.com or by calling 0330 020 0125 quoting **your** existing policy number.

Automatic Renewal of **your** Policy

If **you** have a monthly policy:

To make sure **you** have continuous cover under **your** policy **we** will automatically renew **your** policy each month, unless **you** advise the **Administrator** otherwise and **your** monthly premium will be collected by the method chosen by **you** at the time of the initial purchase.

For **your** convenience the **Administrator** will write to **you** annually to remind **you** of the cover that is in place and to ensure that it still meets **your** needs.

If the **Administrator** need to make any changes to **your** policy cover or to the price of **your** insurance, the **Administrator** will provide **you** with at least 30 days written notice of the change which will be sent to **your** email address provided by **you** at the time of purchase of the policy, or to **your** last known address where there is an unsuccessful email submission.

Should **you** be unhappy with any proposed change being made to **your** policy, **you** will have the right to cancel **your** cover in accordance with this policy wording.

If **you** have an annual policy:

You will be contacted at least 21 days before the annual renewal date of **your** policy, and the **Administrator** will tell **you** then if there are any changes to **your** premium or the policy terms and conditions (which will only ever apply at your next renewal date). The **Administrator** will then renew **your** insurance unless **you** advise them otherwise.

Unless **you** advise **us** otherwise, **your** renewal premium will be taken by the same method used during **your** initial purchase. If **your** payment details have changed, **you** can contact iOutlet Care Plan at gadget.sales@theioutletinsurance.com

or visit

<https://careplan.theioutletinsurance.com/>

and log into "My Account" to amend **your** details. **You** can advise iOutlet Care Plan about any changes to **your** policy details at any time by calling 0330 020 0125 (local rate call).

If **you** do not want to auto renew **your** policy, **you** just need to contact iOutlet Care Plan via the contact details provided in the renewal notice.

Unless **you** advise **us** to the contrary, **we** will automatically renew **your** policy.

If **we** are unable to collect **your** renewal premium **your** policy will lapse and **we** will advise **you** accordingly.
